*Proceedings of the Madras Government, Revenue Department,
11th August 1868.*

No. 145. Read the following Proceedings of the Board of Revenue, dated 30th July 1868, No. 5,505.

Read the following letter from the Collector of Ganjam, to the Acting Secretary to the Board of Revenue, dated Camp at Gopaulpore, 6th June 1868, No. 513:—

1. With reference to the Board's Proceedings of the 27th February last, No. 1,407, and the Order of Government thereon, dated the 11th March, No. 637, regarding compensation to the Zemindar of Paloor for land taken up for the Chilka canal, I have the honor to state that in the village of Bahulagam there is no unoccupied land whatever, with the exception of a piece measuring Acres 13-25, which is absolutely required as pasturage for the cattle. It is, therefore, necessary to make over to the Zemindar a further extent of Acres 31-12-12½ of occupied land bearing a shist of Rupees 140-9-10 in addition to Acres 143-15-6 of occupied land subject to a shist of Rupees 480-6-2 already selected; thus making in all Acres 174-28-2½ of occupied land paying a shist of Rupees 621, the amount of the annual compensation awardable. Inasmuch, however, as the shist for the current Fusly 1277 has already been collected on behalf of Government, I have directed the transfer of Rupees 621 from the collection of this village to the credit of the current Peishcush of the Paloor Estate.

2. If the land now proposed to be transferred to the Zemindar were to remain under the Government, it would be newly assessed when Mr. Master comes here, and the rates would certainly be raised. We are, therefore, losing something by making it over to the Zemindar, who is as distrustful of the loyalty of his new tenants as they are of his good faith and liberality. It would please both parties if Government were to remain the landlord, remitting 621 Rupees of the Peishcush of the Paloor Estate; and I strongly recommend that this course be adopted as the best and simplest method of compensating the Zemindar.

The Board concur with the Collector that the simplest method of compensating the Zemindar would be to grant a remission of Rupees 621 from the Peishcush payable by him, and they accordingly recommend that Government will sanction the reduction of the Peishcush of the Paloor Estate from Rupees 1,200 to Rupees 579, to take effect from the commencement of Fusly 1278.
