*Proceedings of the Madras Government, Revenue Department,
11th August 1868.*

No. 157. Read the following Proceedings of the Board of Revenue, dated 24th July 1868, No. 5,408:—

Read the following letter from the Acting Sub-Collector in charge of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 3rd June 1868, No. 173.

I have the honor to forward, for the sanction of the Board and Government, plans and estimates, amounting to Rupees 1,185, for the construction of a Customs Cutcherry at the port of Mutupally, in the talook of Bapatla. The port is under the supervision of the Assistant Superintendent at Epurpolem, eleven miles to the north; the trade of the place is, as will be seen from the subjoined Memorandum, considerable. The want of office accommodation for the Superintendent and his Gumastah when visiting the port, as they must frequently do, is reported by the Deputy Collector in charge of Salt Customs to cause great inconvenience. Formerly, when the port was under the Salt Superintendent of Chinna Ganjam, three miles off, the managing Gumastah sat in the Cutcherry there, and the inconvenience was not so much felt as now, when the distance from the station of the Superintendent is so great. No funds are available from the Public Works allotments, but the Superintending Engineer suggests that provision may be made by Government from the reserve; as the work is very necessary, I have to request that this may if possible be done.

Return of the Trade, &c., of the port of Mutupally, in the Kistna District, for the official years 1864-65, 1865-66, and 1866-67.
