Proceedings of the Madras Government, Revenue Department,
12th August 1868.

Read the following:—

No. 180. Proceedings of the Board of Revenue, dated 30th July 1868, No. 5,501.

Read the following letter from the Acting Head Assistant Collector of Nellore, to the Acting Collector of Nellore, dated 16th June 1868, No. 144.

1. The inhabitants of Kavali have petitioned for an increase to their village site, and the Tahsildar reports that considerable inconvenience for want of space is now felt, and recommends that the fields noted in the margin may be granted free of assessment as Gramanuttum.

2. These fields are well situated, adjoining the trunk road on opposite sides; a much frequented track leading to Siripuram forms the southern border of No. 1,025.*

* *Vide* sketch plan sent with the Tahsildar's Arzi enclosed.

3. The fields Nos. 1,024 and 1,025 have been long waste; No. 979 was granted for a plantation under the Tope Rules to one Rebula Rami Reddy in November 1865. This individual has not yet planted any trees, and the question of resuming his grant was under consideration; but he now states that as the soil is not suitable for planting, he is willing to resign the field for the purpose now contemplated.

4. The land is classed as wet, but has not been irrigated or cultivated for a considerable time. The extent applied for is not unreasonable in the case of Kavali, which is a large village and the Cusba of the talook, and is yearly increasing in importance. The present sacrifice of revenue is *nil*.

5. I, therefore, support the Tahsildar's recommendation, and request that if you concur, you will have the goodness to solicit the sanction of the Board of Revenue.

Read the following letter from the Acting Head Assistant Collector, to the Acting Collector of Nellore, dated 17th June 1868, No. 147.

1. I have the honor to submit a recommendation from the Tahsildar of Kavali* for the grant of land as *Gramanuttum* to the inhabitants of Nagireddipalem, a hamlet of the village of Jaladanki, in the Kavali Talook.

* Arzi No. 137, 31st May 1868, enclosed.

2. The present inhabitants of the hamlet are immigrants from the Kalastri Zemindary. They first chose for their residence a field near the village of Gopanapalem on the bank of the river Chippaleru; but the constant floods in the river obliged them to remove thence. In Fusly 1268 they obtained on durkast four fields in Jaladanki and built sixteen houses on one of them, No. 534, which measures 1·76 Acres, and bears an assessment of Rupees 2-12-7. They gave the hamlet the name of Nagireddipalem. They have since acquired additional land, and now pay to Government an annual shist of Rupees 178-1-1. They pray that the field No. 534 may be granted to them as Gramanuttum, and I beg to recommend that the sanction of the Board may be obtained for the grant.
