First: if an Idiom is a personal Idiom,
unless some explanation can be supplied

Second: What is "Begar Service"? So far as I know, it is service for which no payment is to be made, but such service is not now treated either as a collector or a owner any more. What then is the service under this designation, for which now no land is to be granted? —

the meaning
think. I don't comprehend of the 6th
column w- purpose to show the "Estimated
annual rent value". - of what is this the
value? Is it the "E. a. 2: value" of the portion
of the land which has deteriorated & is to be
exchanged or of the holder's entire land?
Again, what is the meaning of the word
"Salut" in col 4. - of what is the salut
shown?

Before meeting this aspect of the Hd. I
would ask for explanation on the points
I have suggested and I would further ask
them whether it will not be possible to
frame a form of statement to meet each
of the kind under which it. There be more
readily & easily intelligible. -

A statement in a prescribed form should
be understood at once. That this stat.
is not so is clear. - I would suggest that
in each case it be distinctly shown whether
the exchange wanted is requested by an act of
the Govt. or by causes beyond the control
of the landowner. - Since with the pencil
additions & these I fancy have been made
in the statement, I don't comprehend what
the Govt. are doing. 22 July 68: W.D.

Proceedings of the Madras Govt
under date the 12th Augt/68

Read the follow-
ing Pro. of the Bd. of Revenue

Submitting for
sanction statement of ex-
-pensation on land or
otherwise proposed to be
given to landowners in lieu
of their lands which have
become unprofitable from
cause beyond the land-
-owner's control or by some
act of Govt in Madras St.

(H. R. 10th July 1868,
No. 5071) -

The Govt sanc-
-tion the compensation
proposed except in re-
-gard to the Pignari ser-
-vice land. - In this case
fresh land must be
given to the landowner, or
a money compensation
calculated to re-imburse
him for his loss of income.

2. The Govt assume
that all the personal land
landowners in this state
-ment have become
unprofitable

This and

unprofitable" by some
act of Govt. as ~~an~~
~~causing~~ no compensation
would be claimable if
it has become so from
natural causes. - In future
statements the two classes
of cases should be shown
separately, i.e. all cases
in which the land has
become unprofitable from
any act of Govt. should
be first entered, and then
those in which natural
causes have operated
to destroy its value.

3. The headings of the
columns of the statement
should also be made
clearer. - The present
column 4 should be
"Extent of land lost to
the Endorser" and it
should be preceded by
another column giving
the whole extent of the
Endorser

broken

Endorser. - Column 12 should
be "original quit rent
of the whole Endorser," and
a column should be
added showing the dif-
ference between columns
12 and 13.

4. It is observed
that if column 6 con-
tains the annual value
to the Endorser of the
lands lost, it is propo-
sed to compensate the
loss of an income of Rs.
50-2-0 by a deduction
of quit-rent amounting
to only Rs. 34-6-8. The

While this may well
be admitted, I don't feel at
all clear as to a correct com-
parison of the headings of
the statement. Govt. add.

5. With reference to the
"Observations now made, the
Govt. are of opinion that the
form of statement under notice
may with much propriety be re-
considered by the Govt. and if
possible recast in a more simple &
clear form."

Roads are requested to be
careful in future that
a fair and equitable
compensation is given
in every case.
