*Proceedings of the Madras Government, Revenue Department,
17th August 1868.*

No. 242. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 31st July 1868, No. 852:—

1. With reference to paragraph 2 of the Government Order No. 1,964, of the 14th instant, I have the honor to forward a letter received from Mr. Ballard, the Collector of Malabar.

2. I agree with the Collector in thinking that a course of general instruction at Nellumbur would be very useful to Overseers entering our department, but I doubt if it would be practically of much use to lads required by Collectors for avenue or tope planting.

3. One lad from the Lawrence Asylum has already proceeded to Nellumbur to be trained in teak planting, preparatory to being put in charge of the teak plantation in the Purla Kimedy estate. The Collector has suggested to the Board of Revenue, that four rooms with bath-rooms and a public-room should be at once erected, I do not anticipate that more than two rooms are likely to be required at one time, and I have informed the Board that I should only recommend two rooms, and a public-room being built at present, but that the building can be added to at any time.

4. It might be a good plan to send all Overseers appointed to our department to Nellumboor for a few months' training, before they joined a district. It would, however, entail a considerable expenditure, which I am not prepared to say is authorized except when the Overseers' work is to be teak planting. At present our Overseers join their appointments directly they are nominated, and they learn their work under the Officer in charge whilst they are carrying on the general duties attached to their range.

No 243. ORDER THEREON, 17th August 1868, No. 2,179.

Forests, No. 9.

Forwarded to the Board of Revenue, with reference to paragraph 4 of their Proceedings, dated April 29th, 1868, No. 3,118.

From

G. A. Ballard Esq
Collector of Malabar

To Major R. H. Beddome
Officiating Conservator of Forests
Ootacamund

Sir,

Adverting to your letter of the 28th Inst
No 840, I have the honor to observe that
I think a course of general instruction in
Forestry under Mr. Ferguson at Nilambur
would be very useful to lads entering the
Forest Department and likely to be em-
ployed in at all similar localities
elsewhere.

Much of course that is specially applicable
to Nilambur and such localities would
not be applicable to a dry district, but
even for employment in dry districts I
think the lads might derive much use-
ful practical instruction from Mr.
Ferguson.

When I first learned that lads might
possibly be sent to Nilambur I
pointed

pointed out that accommodation must be previously provided and I believe the Board have communicated with you on the subject.

Vide Board's Pro-
ceedings dated
23 June 1868 No 4632

I have the honor to be,
Sir,
Your most Obedt Servant,
Cannan
Collector.

Sir,

With reference to para 2 of
the Government Order No 1964 of the 14th
instant I have the honor to forward a
letter received from Mr Ballard the
Collector of Malabar.

2. I agree with the collector
in thinking that a course of general
instruction at Kellumbur would be
very useful to Overseers entering our
department but I doubt if it would
be practically of much use to lads
required by collectors for avenue or
tape planting.
