Proceedings of the Madras Government, Revenue Department, 17th August 1868.

No. 260. Read the following letter from J. BROUGHTON, Esq., Quinologist to Government, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 4th August 1868 :—

1. I learn that at Hoonsoor in Mysore there is a screw-press belonging to the Madras Government, which was formerly employed in some pharmaceutical establishment at that place. It has long been in disuse, and is doubtless deteriorating.

2. I have the honor to request that I may be put into possession of the press. Under any circumstances (unless greatly injured), I shall be able to make use of it. Its possession may probably obviate the necessity of obtaining one from England for present use in alkaloid manufacture.

3. I have also the honor to request that the enclosed Indent on the Mint for a chaff-cutter may be passed for supply.

4. If it be necessary that the above articles and their transit be charged to me, I request that Government will sanction the expenditure on my part.

No. 261. ORDER THEREON, 17th August 1868, No. 2,187.

Miscellaneous.

1. Paragraphs 1 and 2 of this letter will be referred to the Military Department for orders.

2. The Indent on the Mint Master, referred to in paragraph 3, is passed for supply.
