With reference to your letter No. 2,042, of 26th June 1868, I am directed to convey the approval of the Governor General in Council to the proposal of the Government of Madras to appropriate Rupees 10,280 from the funds provided in the Budget of 1868-69 for improvements to the Commamoor Channel from the Agricultural grant extraordinary towards the construction of a lock on the Commamoor channel at Jagarlamoody in the Kistna District, and a bridge with a weir beneath, adjoining it, estimates for which have been sanctioned by the Madras Government.

2. I am also to suggest that it would be preferable if, instead of such terms as tambogies and calingulahs, the corresponding English terms, when such exist, were used by the Engineers in official correspondence.
