No. 88. Read the following letter from the Postmaster General, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 3rd August 1868, No. 2433-886.

With reference to the Proceedings of the Madras Government, dated 3rd January 1866, I have the honor to state that the Municipal Commissioners of Ootacamund have called upon the Postmaster to clean and keep in order a large piece of ground round the Post Office.

2. No ground was applied for in my letter to the Secretary to Government, Public Works Department, of the 18th December 1865, nor made over to this Department in the order of Government thereon; but I find on inquiry that the ground in question was formerly considered to belong to the building, then occupied as a Magistrate's Office.

3. As the Postmaster has no means of keeping the ground clean, I request that a small portion of it immediately round the building (which can be pointed out by the Postmaster) may be made over to the Post Office, and that this Department may be formally relieved from responsibility as to the remainder.

4. I take the liberty of suggesting that the Superintendent of the Government Gardens might be directed to lay out and plant the ground in question with trees, for which purpose it is, from its form and situation, very suitable.

No. 89. ORDER THEREON, 13th August 1868, No. 982.

The Government approve of the proposal contained in the letter above recorded, that the land round the Ootacamund Post Office be limited as suggested by the Postmaster General. The Commissioner will take charge of the remaining portion, and determine whether it is desirable to adopt the suggestion contained in the concluding paragraph of the Postmaster General's letter.
