Head 1 son			To be confirmed. Quint Post 1/2 Compulsory And agreed to the 6-8-11 inclusion of 1/2. The claim in this case, and the claims in the 2 cases on the other side of the estate, were given by the early Collectors of this District. The object of the grant cannot be clearly ascertained. As all the accounts contained the claims are entered as per assignments. -and. The claim on Rippalange known, proposed to be which is entered on the other side of the sheet, and which is the largest of the claims entered in the account of 1800. It was given at the request of Major Evans, Director of the District of the District, to the same person. Head man of the District, to the same person. There is no account. The claimer explained that the claim was entered in the account of 1800, (probably the account of 1800 of Rippalange). The complaint was referred to the District for report and on the inspection of the accounts the order is given that although the claim was given for the purpose of charge, still it appears to be a claim, the claimer being that of a "Sundani" of the village of Rippalange, and it is in the same way, and there being no other claim for the village, the holders of the claim should be appointed to the village, and the claimer on the 3 villages.
