Proceedings of the Madras Government, Revenue Department,
19th August 1868.

No. 303. Read the following letter from the Honorary Secretary to the Government Farm, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Sydapet, 15th August 1868 :—

By desire of the Farm Committee, I have the honor to request that the necessary orders may be issued in the Military Department for the payment of his Military pay to Gunner J. Madden of the European Artillery, Veteran Company, who is now employed at the Farm. It appears that objection is taken in the Military Pay Department on the ground that Gunner Madden's employment at the Farm is permanent ; but as the Government are aware, this is quite a mistake, the Farm itself being entirely experimental, and all employment connected with it necessarily of a temporary nature.

No. 304. ORDER THEREON, 19th August 1868, No. 2,208.

Miscellaneous.

Transferred to the Military Department for the issue of the necessary orders. It is observed in this Department that employment at the Government Farm is essentially of a temporary character.

Under Secretary to Government.
