Proceedings of the Madras Government, Revenue Department,
19th August 1868.

No. 313. Read the following Proceedings of the Board of Revenue, dated 3rd August 1868, No. 5,625 :—

Read the following letter from the Acting Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 8th April 1868, No. 122.

1. In returning Board's Petition, No. 418 of 1868, wherein the Zemindar of Calastri asks to be permitted to pay up without interest Rupees 60,000 of the second kist of Fusly 1277 in six instalments along with the six kists of Fuslies 1278 and 1279, I have the honor to state that a similar request was preferred to Mr. Robinson in February last on the ground of the adversity of the season.

2. Mr. Robinson met the Zemindar early last month, and I believe asked him to state specifically what he would do for the benefit of his people if he received the indulgence he had sought for. At all events the Zemindar has since written to say that he intends to incur extra expenditure this season, as per margin.

	RS.
On relief works	30,000
Tuccavy advances to ryots to enable them to retrieve losses	30,000
For the relief of the distressed in cooked food	20,000
	80,000

3. Under these circumstances, and as from all accounts there is just now much distress in the Calastri Zemindary, and as the Zemindar has always hitherto been very punctual in the payment of his kists, I beg to recommend his request to the favorable consideration of the Board.

ENCLOSURE No. 1.—Petition.

The Board resolve to submit this letter for the favorable consideration of Government.

2. The Board will be requested to ascertain from the Collector to what extent the Zemindar found it necessary to carry out his benevolent intentions.
