21*st August* 1868.

No. 336. Read the following letter from the Acting Commissioner, Neilgherries, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 15th August 1868, No. 3:—

1. Would you oblige me by sending me up, as soon as you conveniently can, Proceedings of Government, dated 22nd November 1867, No. 2,770, Revenue Department. The Proceedings refer to Mr. Mullaly's relinquishment of some 130 acres of land, purchased by him at public auction on 15th June 1863.

2. Major Hessey, Deputy Superintendent of Survey Department, has written to me about certain lands that have to be purchased by Government in consequence of their submersion by the waters of a reservoir, which the Department Public Works are about to construct behind the Club Hill at Ootacamund. I cannot find in my Office any Government Order sanctioning the project; if there be any such Order I shall be obliged to you for it.

No. 337. ORDER THEREON, 21st August 1868, No. 2,224.

Miscellaneous.

The first Order referred to by the Commissioner will be forwarded to him at once, but the Government are not aware to what Order he refers in paragraph 2 of his letter. The date and number of the Order can probably be obtained from the Department Public Works on the spot.
