*Proceedings of the Madras Government, Revenue Department,
27th January 1868.*

No. 449. Read the following Proceedings of the Board of Revenue, dated 17th January 1868, No. 368 :—

Read the following letter from the Controller of Public Works Accounts, to the Secretary to the Board of Revenue, dated Madras, 18th October 1867, No. 2,797.

1. With reference to your letter No. 6,331, dated 4th October 1867, I have the honor to inform you that no excess charge has been incurred, during the past official year, on account of the Petty Establishments employed on District Road Fund works. The charges on account of these establishments have been month by month included in the statements submitted by this Office to the Accountant General, and debited by that Officer to the proper fund concerned.

2. I annex a Memorandum of the actual charges incurred, during 1866-67, on Petty Establishments debitable to the District Road Fund, as I presume it will be of use to your Office in preparing the statements called for in paragraph 1 of Government Order No. 629, dated 15th March 1867. The information therein requested relates to the past official year, but similar statements are required for the current year also, to enable this Office to pass the charges on account of Petty Establishments local.

3. In paragraph 2 of the Government Order, above referred to, reference is made to a provision for Petty Establishments in the Budget of 1867-68. It is not clear whether this remark applies to Petty Establishments employed on works executed by the Public Works Department, or to Petty Establishments employed on works under execution by Civil Officers; but it is evident by a reference to the Budget that no provision is made for Petty Establishments for works under execution by this department. The sum of Rupees 40,598, allowed for establishments, is the usual ten per cent. chargeable to Local Funds for the supervision of local works by the regular Public Works Establishment.

4. I request that in future all works, sanctioned by the Board for execution, by the Public Works Department, may have due provision made for Petty Establishments to be employed in their execution.

Memorandum shewing the expenditure in 1866-67 on Petty Establishments employed on District Road Fund Works.
