PROCEEDINGS OF THE BOARD OF REVENUE, dated 20th March 1863.

Read the following letters :—

From P. GRANT, Esq., Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 17th December 1867, No. 359.

1. With reference to the Proceedings of the Madras Government and their Order thereon, dated 17th October 1867, No. 2,435, communicated in the Board's Proceedings of the 23rd idem, No. 6,932, I have the honour to report that the house on the Race Course at this station, formerly occupied as an office by the Department of Public Works, was, after due advertisement, put up to auction, on the 30th November 1867, at an upset price of Rupees 1,400, as sanctioned by Government. Mr. J. Bake, of Coimbatore, the party who before offered that sum, bid the same amount, and as there were no other bidders it was knocked down to him for the upset price itself, namely, Rupees 1,400. This sum has been paid by him in full, and is held in deposit. I request to know to what head it should be credited.

2. As the premises in question were sold subject to the payment of annual assessment, I think that the form of Title-deed to be granted to the purchaser, should be that in which the Title-deed of the Dharapooram Bungalow was drawn up with the exception of that part which refers to the payment of an additional assessment for water utilized from the Dharapooram Channel. I request to be informed whether I may prepare a Deed in that form.

From the same Officer, dated 13th March 1868, No. 37.

In drawing attention to my letter of the 17th December 1867, No. 359, I have the honour to request that early orders may be issued regarding the form of Title-deed to be granted to Mr. J. Bake, for the property which he bought from Government. He is very anxious to get the Deed of conveyance without further delay.

---

1. The form of Deed proposed by the Collector will answer.
2. The sale proceeds should be debited to Land Revenue "Miscellaneous."

(A true Copy and Extract.)

Secretary.
