Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 4th August 1868, No. 227.

I have the honor to request that the early orders of Government may be obtained on my letter to the Board, dated 1st May 1868, No. 121, submitted to Government with the Board's Proceedings, dated 29th idem, No. 3,974, regarding the Agricultural and Industrial Exhibition proposed to be held at Tellicherry in February 1869.

Submitted to Government with reference to the Board's Proceedings quoted by the Collector.

Proceedings of the Board of Revenue, dated 29th May 1868, No. 3,974 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 1st May 1868, No. 121.

In my letter to the Board of Revenue, dated 17th August last, * I mentioned that circumstances prevented my then proposing an Exhibition at Tellicherry ; but after communication on the subject with Mr. Logan, I have reason to believe that a useful Exhibition might be held at that place in or about February next, and I have, accordingly, the honor to request sanction for Rupees 3,000 for the purpose. Should the Board approve of the proposition, the prize list, &c., will be submitted for approval as usual.

* No. 185.

---

1. Submitted to Government, with the Board's recommendation that the Collector be authorized to hold an Exhibition at Tellicherry in February next, and to incur an expenditure not exceeding 3,000 Rupees for prizes and incidental expenses. The charge can be met from the provision of Rupees 4,000 made for Agricultural Exhibitions in the Budget for 1868-69.

2. The Government are aware that the Agricultural Exhibitions held at Calicut and Palghaut in last year were both successful, and it is hoped the same result will attend the proposed Exhibition.

No. 422. ORDER THEREON, 27th August 1868, No. 2,266.

Miscellaneous.

The Government observe that the Proceedings referred to by the Board have not been received at the Government Office. A spare copy has however now been obtained, and the Governor in Council having given the subject his consideration is of opinion that these frequent Exhibitions in one district must have a tendency to diminish their value and importance. He therefore resolves to direct that the proposed Exhibition at Tellicherry be deferred until February 1870.

Submitting to Govt
Collector of Malabar's
Report dated 21st May 1869
regarding agricultural
Industrial Exhibitions

Report to be held at
Pellichery in Feby 1869

It seems to me that these Industrial Exhibitions in this one District, must have a tendency to diminish their value & importance. I should prefer deferring what is proposed until Feby 1870. & if the Budget item for "Agricultural Exhibitions" is permanently to be expended, I would order an Exhibition to be held in Feby 1869 without measures & Premiums specially when this Exhibition has not yet been held.
