To the Board

Exd. F. R. Bantleman.

No. 453. Read the following Proceedings of the Board of Revenue, dated 12th August 1868, No. 5,865 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 12th June 1868, No. 153.

1. I have the honor to forward the accompanying List of Local Fund *new* works remaining unfinished on the 31st March 1868, for the completion of which funds are required in 1868-69, as called for in paragraph 8 of the Proceedings of the Board of Revenue, dated 16th March 1868, No. 1,897.

2. The actual cash balance of the District Road Fund on the 1st April 1868, amounted to Rupees 22,512-1-2, inclusive of Rupees 2,942-8-11 which remained in the hands of the Revenue Officers on that date. This balance exceeds the amount estimated in the Budget for 1868-69 by Rupees 11,822-1-2. To utilize this unappropriated surplus balance, I beg to submit a Supplemental Budget for the current official year.

3. The six roads out of seven, entered in *this* Budget, are those sanctioned in the *original* Budget; but as the several sums sanctioned therein for these roads are now found to be insufficient for their repair, due provision has now been made. For the road from Womalore to Semmadapatty, exhibited in the Budget, a sum of Rupees 650 was contributed by the inhabitants of that place in the year 1867-68, and a further sum of Rupees 400 was promised by them to be paid hereafter. A sum of Rupees 559-13-0 was spent on this road in that year.

4. The sum required for repair of roads, as entered in the Supplemental Budget, and that for the completion of new works, as shewn in the List, amount to Rupees 10,413, which is in proportion to the available balance which remained on the 1st April 1868.

SALEM,
12th June 1868.

Collector.

Proceedings of the Madras Government, Revenue Department, 28th August 1868.

1. With the above letter the Collector submits a list of District Road Fund works remaining unfinished on the 31st March 1868, as well as a Supplemental Budget for certain repair works to be executed in 1868-69.

2. The incomplete list contains eight works, with a total allotment of Rupees 5,613 in favor of the Public Works Department. The second work* need not have been shewn in the list, as the Collector states that it is finished as far as it is required at present, and that therefore no sum is allotted for it.

* Constructing a road of about ten miles from Iyothiapatnam, in the Salem Talook, to Beyloor.

3. The Supplemental Budget exhibits seven repair works, with a total allotment of Rupees 4,800, in favor of the Revenue Department. Of the seven works, six appear in the current year's Original Budget with insufficient allotments, and therefore additional sums are proposed in the present Budget for their satisfactory completion. The seventh work is a fresh entry, and the cost thereof appears to have been subscribed for by the inhabitants interested in the work.

4. From the above it will be seen that the total amount of the two lists is Rupees 10,413, which the Collector proposes to meet from the unappropriated surplus cash balance of the Road Fund of Rupees 11,822.

5. The Board approve of the works entered in both the list of Incomplete Works and the Supplemental Budget, and sanction the appropriation of Rupees 10,413, of which the Accountant General is requested to place the sum of Rupees 5,613 at the disposal of the Public Works Department.
