*Proceedings of the Madras Government, Revenue Department,*
*31st August* 1868.

No. 477. Read the following Proceedings of the Board of Revenue, dated 17th August 1868, No. 5,952:—

Read the following letter from the Superintendent of Stamps, to the Acting Secretary to the Board of Revenue, dated Madras, 7th August 1868, No. 1,045.

The sanctioned salary of the "Pay Clerk" in the Private Goods Department of this Office is Rupees 30; but the present incumbent, Singaravalu Moodelly, has been drawing only Rupees 25 a month since the date of the sanction, in February 1865, because he has not passed the Uncovenanted Civil Service Examination. He is now forty-four years old, and has held his present office continuously since September 1862. His duty is to receive and account for the daily collections in the stamping of private documents, to keep the cash-book, to disburse the contingent expenses of the Office, keeping the accounts connected therewith, and to receive and disburse the monthly salary of the establishment. He is, in short, the Cash-keeper of the Office, and has given ready-money security to the amount of Rupees 500. Adverting to the nature of these duties, which entail considerable money responsibility upon him, to his age, and to his being no longer able to pass the General Test, I am disposed to recommend the full sanctioned salary (Rupees 30) being passed to him as a special case from the current month. The Rupees 25 he now draws, I consider quite incommensurate with the work devolving upon him, which he is able satisfactorily to perform. It was with reference to the character of the work that the salary, which was originally only Rupees 25, was raised to Rupees 30 in 1865 at the special recommendation of Colonel Temple.

Submitted for the favorable consideration of Government.

No. 478. ORDER THEREON, 31st August 1868, No. 2,295.

FOR ORDERS.

I would confirm the arrangement proposed by the Stamp Superintendent.

The work of the "Pay Clerk" would not be better done after he has passed 42 - study for an Examination were 42 - study for an Examination were rather out of place
