No. 5. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 21st August 1868, No. 1,246:—

1. In their Proceedings, No. 2,913, dated 3rd October 1865, Government ruled that passed Students of Civil Engineering Colleges, appointed to the Upper Subordinate Establishment, are entitled to travelling allowance on proceeding to join their appointments, but the Acting Controller is of opinion* that these Proceedings do not apply to passed Students employed as Local Fund Overseers; I have the honor to request that you will be so good as to authorize the Acting Controller to pass the travelling allowance of the four passed Students,† of the Madras Civil Engineering College, who have been appointed as Local Fund Overseers, as reported in my letter, No. 626, dated 10th June 1868.

* Circular No. XVIII., 11th August 1868.

† Mr. E. Taylor.
,, J. Taylor.
Ruthnasamy Moodelly.
Mahomed Yacoob.

2. I would further beg that Government will be pleased to sanction the grant of travelling or double horse allowance to these Overseers when on duty, similar to that granted to Talook Overseers, for without such an allowance their efficiency will necessarily be impaired. The Board of Revenue, in their Proceedings, No. 3,868, dated 23rd May 1868, gave a sum of Rupees 9,600 for eight Local Fund Overseers and sixteen Maistries for this Division; but as I consider that four Overseers and eight Maistries are enough for the wants of this Division at present, I propose to keep to that number: the saving, therefore, will more than cover the cost of travelling allowance now recommended.

Transferred to the Revenue Department, in continuation of docket, dated 22nd July 1868, recorded in the Proceedings of that Department, No. 2,046, of the 29th July 1868.
