No. 41. Read the following letter from the Honorable T. CLARKE, First Member of the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 31st August 1868:—

1. I have the honor to submit, for the favorable consideration of Government, the accompanying letter and its enclosures from Iyasawmy, the Acting Zillah Surgeon of Cuddapah, who was directed by Government to accompany me in my late tour in the Cuddapah District.

2. The Acting Zillah Surgeon has been mulct of the allowance of Acting Zillah Surgeon for the period of his tour, as another Officer was appointed to act in that situation during his absence.

3. Iyasawmy was especially chosen to accompany me owing to his peculiar fitness. His duties while with me were arduous, and involved much travelling. He left Cuddapah at much personal sacrifice, and his doing so involved him in serious family affliction. He was most zealous in the discharge of his duties, inquiring into the sanitary condition of the country, and rendering Medical assistance whenever required. His efficiency and zeal are too well known to need any comment from me; to me personally he was of great service.

4. I hope, therefore, that this journey, which was undertaken solely for the public good, and which involved so much personal discomfort and sacrifice, may not be the occasion of depriving him of that allowance which he would have drawn had he remained at Cuddapah, and been engaged in the comparatively light and more agreeable duties of Acting Zillah Surgeon. I would rather claim for him some special allowance as a recognition of the valuable services so ably and readily rendered by him at a season of unparalleled severity and at much personal sacrifice.

5. I beg also that an allowance of $\frac{1}{4}$ths of his salary may be passed to him as travelling batta during the period he was absent from Cuddapah, and also the usual mileage allowance.

No. 42. ORDER THEREON, 2nd September 1868, No. 2,311.

Miscellaneous.

The Government are pleased to authorize the Accountant General to pass a special allowance of Rupees 10 per diem to Native Surgeon Iyasawmy, during the period he was employed on duty with Mr. Clarke, in lieu of the compensation, batta, and mileage which he claims.
