No. 49. Read the following Proceedings of the Board of Revenue, dated 19th August 1868, No. 5,983 :—

Read the following letter from W. S. LILLY, Esq., on Special duty, to the Acting Secretary to the Board of Revenue, dated Tanjore, 1st August 1868, No. 41.

1. In paragraph 10 of their Order, No. 1,779, Revenue Department, dated the 24th of June last, the Government were pleased to raise my special allowance to Rupees 400 from Rupees 280, the amount "equal to my deputation allowance while acting in the Madura Small Cause Court," which I previously drew under their Order, No. 238, dated the 28th of January last.

2. The considerations which induced Government thus to add Rupees 120 to my salary were, I was given to understand, the more arduous nature of the duties on which I am now engaged, and the numerous expenses, incident to travelling, over and above the actual cost of carriage which alone I am permitted to draw.

3. Subsequently to the passing of this Order of Government, the new Rules regarding acting allowances were promulgated, the first of which provides that an Officer holding a substantive appointment, and officiating in an appointment of a higher grade, shall draw an acting allowance of 30 per cent. Under this Rule the deputation allowance of an Officiating Small Cause Judge would be Rupees 420. The result is that, instead of drawing Rupees 120 a-month more than I should draw, if filling the appointment from which I was called to this special duty, I in fact draw Rupees 20 less.

4. After some hesitation and consultation with several of the Senior Members of my Service, I beg leave to lay this statement before the Board in view to their submitting it to Government, should they think fit to do so. It will not, I trust, be thought that I for one moment imagine myself to have any grievance to complain of, or that I should not be well content to be employed on this or any other duty which Government might assign to me on any salary they might be pleased to sanction. The sole point I desire to raise is, that through an accident I draw something less than the pay of an Acting Small Cause Judge, instead of Rupees 120 more, as the Government intended.

Submitted for the favorable consideration of Government.

No. 50. ORDER THEREON, 2nd September 1868, No. 2,315.

FORM ORDERS.

It would have been better if Mr. K. had thankfully abstained from soliciting an extra payment of 20 Rupees a month, for after all, the extravagant allowance he has been permitted to draw and his travelling allowance (which when taken for his employment & when on the move to make them) must be very profitable on the whole.

Still, the "accident" of his birth & the new liberal rules, is clearly in his favor, & as he has asked for the extra 20 Rs, I don't see how they can be refused

Write to Mr Landsell stating that I think but he may ask the additional Rs 20
