Proceedings of the Madras Government, Public Works Department, 27th August 1868.

No. 584. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 15th August 1868, No. 92 :—

I have the honor to request to be informed how the Military pay of Local Fund Overseers is to be drawn. The Controller of Public Works Accounts states that it cannot be drawn from this Department except under special orders from Government.

No. 585. ORDER THEREON, 27th August 1868, No. 2,752.

ESTABLISHMENT, No. 62.

As the salary of Rupees 60 per mensem to Overseers on the Local Fund Establishment was fixed without reference to the class from which those Overseers might be obtained, no provision was made for the Military pay of such Non-Commissioned Officers and Soldiers as might be induced to accept the employment. Under these circumstances the Government consider that the situation of Local Fund Overseer is not suitable for Military men, except as a preparation for permanent employment in the Public Works Establishment proper, to which they should be transferred at the earliest possible opportunity.
