No. 581. Read the following letter from the Acting Deputy Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 14th August 1868, No. 288 :—

1. I have the honor to submit, for the sanction of Government, an application from the Collector of Bellary, accompanied by the usual tabular Statement, to retain, for a further period of three months, from the 1st of July last, the services of the Clerk sanctioned in G. O., No. 1,238, of the 23rd April 1868, at Rupees 30 per mensem, in order to enable the Deputy Collector to prepare and submit the bills and registers on account of lands transferred to the Railway Company.

2. The charge can be met from the allotment in the Budget for the current year.

From the Collector of Bellary, to the Consulting Engineer for Railways, dated Bellary, 28th July 1868, No. 866.

1. Adverting to the Order of Government dated 23rd April, No. 1,238, I have the honor to forward copy of a letter† from the Deputy Collector employed on general duties in this district, requesting that the services of the additional Clerk, whose employment for a further period of four months from the 1st March last, was sanctioned therein, may be made available until the end of September.

† No. 35, dated 22nd May 1868.

2. It was anticipated that, at the end of May, the bills and registers for compensation to landholders to be paid in cash for lands taken up for the Railway would be completed. There still remain for compilation and examination the Vernacular Registers of 344 cases of Inam lands taken up for the above, for which the owners will have to be compensated by the grant of other lands. These have to be translated in triplicate, and as the whole duty devolves on a single individual, I do not think that the work can possibly be completed before the end of September. Under these circumstances, I beg that you will request Government to sanction the employment of the Clerk aforesaid up to the 30th September, in anticipation of the orders of the Government of India.

3. The delay in submitting this application is owing to its having been through a misapprehension forwarded in the first instance to the Board of Revenue.

From the Deputy Collector of Bellary, to the Collector of Bellary, dated Adoni, 22nd May 1868, No. 35.

1. Adverting to the Government Orders and the correspondence noted in the margin, I have the honor to state that the time during which the employment of a temporary Clerk on Rupees 30 a month on Railway work was sanctioned by Government will expire by the end of June next, and that his employment for three months more appears urgently necessary.

2. I beg to submit that this application, for his continuous employment for three months more, would not have been made had the two hands formerly employed been continued until the end of June next, agreeably to the requests made in my letters Nos. 1 and 3 noted already; two could have prepared almost all the registers, fair and office copies, by this time, but one Clerk whose employment was sanctioned in the Government Order of the 23rd April 1868, was not able to do it.

3. At present all the bills for ready money compensation, and the Registers to accompany them, have been despatched, excepting one* which is under preparation, and can leave this office by the end of this month.

* Bill No. XI for Rs. 1,318-5-0.

4. There remain the Vernacular Inam Registers of 344 cases for five talooks to be put into English, and to be copied in triplicate, one to be retained in the office, one for transmission to the Consulting Engineer, and the other to the Board of Revenue. The disposal of this work cannot be effected in the single month of June by one hand, but will occupy him for four or five months.

5. Under these circumstances, I beg that the services of the temporary hand on Rupees 30 be continued until the end of September next.

6. I beg to add that by the present application it may not be understood that I wish to remain in charge of the Adoni division until the month of September; but as soon as the compensation money is distributed, I may, with your permission, proceed to my new division of Hurponhully, from whence the Railway Inam Registers may, after preparation, be despatched to your office for transmission to Madras.
