No. 81. Read the following letter from the Commissioner of Coorg, to the Secretary to Government, Public Works Department, Fort St. George, dated Bangalore, 18th August 1868, No. 465-4 :—

With reference to the correspondence noted in the margin, on the subject of levying tolls at the foot of the Perambady and Sumpajee Ghauts, I have the honor to observe, for the information of His Excellency the Right Honorable the Governor in Council, that while the whole cost of maintaining the Ghauts has fallen upon Coorg, no portion of the proceeds raised at the tolls has as yet been transferred to that district. Indeed, it would appear from the accompanying letter from the Collector of Malabar, No. 2,396-1868, dated 29th July 1868, (copy enclosed,) that the sum realized has been devoted to the District Road Funds of Malabar, which does not appear to be in accordance with the intentions of the Government of India.

From Government of India, No. 2,869, dated 29th July 1862, (paragraph 3).
To Madras Govt., No. 36-1, dated 4th June 1863.

From the Deputy Collector, Malabar, to the Chief Engineer of Mysore, dated Calicut, 29th July 1868, No. 2,396.

1. With reference to your Endorsement, No. 1,489-1,319, dated 14th March 1868, giving cover to copies of correspondence regarding tolls levied on the Sumpajee and Perambady Ghauts, I have the honor to state, that as the former is within the South Canara District, I am only able to afford information respecting the latter ; the sums collected from tolls levied upon it at the bar at Irrity bridge were, in accordance with G. O., dated 22nd March 1862, No. 528, carried to the credit of Department Public Works up to April 1864.

2. From May 1864, they have been credited to "District Road Fund" in compliance with the Orders of the Government of India, No. 516—*Vide* G. O., dated 17th February 1864, No. 289; Board's Standing Circular, dated 15th March 1864, No. 289 ; and Accountant General's Notification, dated 17th February 1864, No. 83.
