Proceedings of the Madras Government, Revenue Department,
11th September 1868.

No. 160. Read the following letter from the Officiating Inam Commissioner, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Madras, 3rd September 1868, No. 51 :—

1. I have the honor to submit the following case for the consideration and orders of Government.

2. The Kazi of Ellore, in the district of Godavery, holds an Inam village, named Kotturu, under a grant dated A. D. 1728. He claimed it as personal, but Mr. Taylor, who settled the case, considered that the Inam was semi-official, and enfranchised it on one-fourth of the assessment.

3. The Inamdar on receipt of the Title-deed applied to this Office for a review of judgment, on the ground that, under the terms of the grant, the Inam was clearly personal, and therefore chargeable with only one-eighth assessment.

4. I have had the grant and dumbálás translated by an Examiner in my Office, and on perusing them, I am of opinion that the Inam was granted as personal.

5. The grant and dumbálás are herewith submitted with their translations, together with an extract from the Register of the case.

6. Should the Government agree with me that, under the grant, the Inam is personal, I request that they will authorize me to alter Mr. Taylor's decision, and confirm the Inam as such.

No. 161. ORDER THEREON, 11th September 1868, No. 2,369.

Deputy Collector L.C.
25th March 1860.

From the remarks in this case and on the Village of Kilúr, it appears that this Sarvaram was the office Sráam of the Pázi who also enjoys a pension or money pay. But by family division of property as awarded by the Courts, the Pázium of Kilúr went to the Office holder, and the Sarvaram to the other members upwards of 50 years ago and sold by them to others. The Deputy Collector proposes to enfranchise the Pázium on 1/8 with reference to the terms of the grant which appear to me to be partly of personal and service in its nature. In all such cases I think a quit rent of 1/4 can be fairly charged when authoritatively relieving the Sráam of its Service tenure and as the Sráams in this case have passed into strangers by purchase, I propose a quit rent of 1/4 of the assessment or Rs. 38 to No. 1 and 2 & 36 Rs. to the others.

(Signed) C. Rangacharlu.
1st May 1860. Special Assistant to the L.C.

I concur with the Special Assistant. This was clearly an Sráam granted for the office of Pázi and being now detached from its original object by alienations it must be charged with a higher rate of quit rent than a mere personal Sráam. One-fourth is a fair rate to impose, in this & similar cases, in commutation both of the reversionary rights of the Government and of the Service of which the holders are now relieved.
