Proceedings of the Madras Government, Revenue Department, 15th September 1868.

No. 209. Read the following letter from the Controller of Military Accounts, to the Secretary to Government, Military Department, dated Fort St. George, 28th August 1868, A:—

1. I have the honor to submit, for the information of Government, copy of a Circular issued by the Controller of Military Accounts, Bombay, directing the deduction of License Tax from Officers returning from the Abyssinian Expedition from the pay *of the month following* the date of arrival at Bombay.

2. In this Presidency the tax has been levied on the first issue of pay after arrival.

3. As it is but equitable that all Officers engaged in the Abyssinian Expedition should be held entitled to the same privileges with regard to exemption from tax for the period they were absent from their Presidency, I have the honor to solicit the sanction of Government to a re-adjustment of the dues of those Officers from whom over-recovery has been made as above shewn.

Circular from the Controller of Military Accounts, dated Poona, 14th August 1868, No. 36.
