No. 221. Proceedings of the Board of Revenue, dated 8th July 1868, No. 5,000.

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 24th June 1868, No. 239.

1. I have the honor to inform you that one Gulam Mohadin Khan has applied to have a piece of land at Jorapur, measuring 4 Acres, with the buildings on it sold to him.

2. It forms part of an Inam formerly owned by Booda Sahib, 15 Acres in extent. Of it 11 Acres were transferred to the Madras Irrigation and Canal Company under Class A. in 1860, and money compensation of Rupees 150 was given to the Inamdar.

3. On the remainder of the Inam, the part now applied for, consisting of 4 Acres, Mr. Smith, Executive Engineer, built a bungalow, paying the Inamdar 50 Rupees annually as land rent, and agreed that the bungalow should be given over to the Inamdar if he, Mr. Smith, left the station within seven years.

4. At the end of 1860, at the request of the Inamdar, Mr. Minchin received back the Rupees 150, and taking on the part of Government the 4 Acres with the bungalow and agreement, gave in exchange to the Inamdar land equivalent in value to the original Inam. The exchange was effected in 1861.

5. Since then the 11 Acres have been in the possession of the Company. They also rented the 4 Acres as a store-yard till 1865, when they were restored to Government by the Company which paid, till then, an annual rent of Rupees 50 to Government.

6. In 1866 Mr. Minchin ordered the sale of the 4 Acres of land with the buildings, but the sale was countermanded by Mr. Sullivan.

7. The bungalow has fallen to ruins, and I see no reason why any objection should be raised against it, with the 4 Acres of land attached to it, being sold by public auction to the credit of Government, on condition of the purchaser paying the land revenue as assessed by the Revenue Department.

---

1. The Board wish to be informed if any reasons were recorded by Mr. Sullivan for countermanding the sale.

2. The Collector should state what assessment he proposes to fix on the land.

No. 222. Proceedings of the Board of Revenue, dated 3rd September 1868, No. 6,282.

Read again Board's Proceedings, dated 8th July 1868, No. 5,000.

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 30th July 1868, No. 277.

1. In reply to Proceedings of the Board of Revenue, No. 5,000, dated 8th July 1868, I have the honor to inform you that Sudarshana Row reports that Mr. Sullivan gave him a verbal order not to sell the bungalow as it might be of use.

Proceedings of the Madras Government, Revenue Department,
16th September 1868.

2. It is, however, in a fallen-down ruined state, and not situated in such a position as ever to be of any use to Government in any department.

3. The assessment fixed by the Revenue Settlement Department on the whole extent of 4 Acres and 46 Cents was Rupees 3-6-0, or 12 Annas per Acre.

---

1. Submitted for the orders of Government.
2. The Board see no objection to the sale of the land in question.
3. They, therefore, recommend that it be put up to auction after due notice, and sold to the highest bidder.
