Proceedings of the Madras Government, Revenue Department,
17th September 1868.

No. 241. Read the following Circular from the Government of India, Financial Department, (Accounts,) to the Chief Secretary to the Government of Madras, dated Simla, 31st August 1868, No. 2,081 :—

1. The Governor General in Council observes that, by the 4th paragraph of the Financial Resolution No. 523, dated the 25th October 1865, which ordered the submission of monthly returns of Trade and Navigation for each Presidency and Province of British India, it was prescribed that the returns should be transmitted to this Department not later than the second month after the one to which they relate. And as it is a point of great importance that this order should be observed, His Excellency in Council desires to direct special attention to it anew.

2. In the returns which have hitherto been submitted, totals of the quantity and value of each article of imports and exports are not given; and (the Bengal returns excepted) the Grand Total of the value of imports and exports, respectively, is also omitted.

3. It is particularly requested that these omissions may be avoided in future, as they retard the compilation of the consolidated returns in this Department, and withhold the means of checking the local returns.

Secretary to the Government of India.
