Proceedings of the Madras Government, Revenue Department,
13th September 1868.

No. 270. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp at Vistnoocheckrum, Ganjam, 3rd September 1868, E:—

1. I have the honor to forward a copy of a letter from Executive Engineer, No. 1 Range, Godavery, requesting that Mr. McAleise, employed under him as a Local Fund Overseer, may be permitted to draw the usual Overseer's travelling allowance; a similar letter has also been received from Mr. Sage with regard to Mr. Lawrence, Local Fund Overseer.

2. I recommend that the Controller be directed to pass travelling allowances to Local Fund Overseers under the rules that apply to Imperial Fund Overseers; without these allowances, the pay of an European Overseer is insufficient for him to live and work upon; added to which, it appears to me correct in principle that all Executive members of the Department Public Works should draw travelling allowance, as otherwise their expenses vary in direct proportion with the amount of work they perform.

From the Officer in charge of No. 1 Range, Godavery, to the Superintending Engineer, 1st Division, dated Dowlaishweram, 24th August 1868, No. 805.

1. I have the honor to bring to your notice that the Controller has, in his Memorandum No. 558 of 20th instant, refused to pass travelling allowance to Mr. McAleise, Local Fund Overseer, for want of special orders from Government.

2. Mr. McAleise is an European Overseer, and the pay he draws is very little, and as he cannot knock about his work if no travelling allowance is allowed in common with other Overseers, I have the honor to request you will be good enough to apply to Government for orders on the subject.

Transferred to the Revenue Department, with reference to the undermentioned Orders in that Department:—
