Proceedings of the Madras Government, Public Works Department, 12th September 1868.

No. 219. Read the following Proceedings of the Board of Revenue, dated 26th August 1868, No. 6,133 :—

Read the following letter from the Collector of Salem, to the Acting Secretary to the Board of Revenue, dated 27th July 1868, No. 188.

With reference to the Board's Official Memorandum, No. 736, dated the 4th instant, I have the honor to transmit the list of Irrigation works in the Salem and Ahtur talooks, referred to in Government Order, dated 22nd April 1868, No. 1,222, Public Works Department.

Enclosures Nos. 1 and 2.—Lists.

Resolved that the two lists of Irrigation works, in the Salem and Ahtur talooks, received with the above letter, be submitted to Government, Public Works Department, with reference to their Order, dated 22nd April 1868, No. 1,222.

No. 220. Order thereon, 12th September 1868, No. 2,890.

IRRIGATION, No. 12.

On looking over these lists the Government observe that there were a few irrigation works in the Salem District which were damaged shortly after they had been repaired, but that in almost every case the outlay on those repairs was either very small, or the damage subsequently sustained trifling. A larger [illegible] than usual has this year been made for irrigation repairs in the Salem District, and the Government hope that it will be laid out to the fullest advantage. Should it not be sufficient to provide for the repairs which are noted in the list as not having been undertaken for want of funds, the Superintending Engineer will report the circumstance, and His Excellency the Governor in Council will endeavour to place the requisite money at Colonel Foord's disposal, if possible, from savings later in the year.
