Proceedings of the Madras Government, Revenue Department,
19th September 1868.

No. 295. Read the following Proceedings of the Board of Revenue, dated 9th September 1868, No. 6,418 :—

Read the following letter from the Acting Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Chittoor, 31st July 1868, No. 265.

1. In their Proceedings of the 24th instant, communicating to me Proceedings of Government, Revenue Department, dated 8th instant, No. 1,889, the Board direct me to take steps to give effect to the transfer of the Head and Deputy Collector's charges " in the manner ordered."

2. The only direction in the Government Order is to procure plans and estimates for the offices required at Arconum and Gudiattum.

3. But at the close of paragraph 8 of their Proceedings of the 2nd June, I observe that the Board stated that there is no reason why the change regarding the Head Assistant's charge should not be at once carried out.

4. I am, therefore, in some doubt as to what I am desired and expected to do. The assumption of his new charge by the Head Assistant (his head-quarters still being at Ranipett) would, of course, entail the immediate removal of the Deputy Collector to Gudiattum ; and seeing that there is there neither public nor private accommodation for him, I scarcely see how the arrangement can be made at present.

5. Another part of the scheme was to attach a Junior Covenanted Assistant to the Sub-Collector. To effect this, I am prepared, with the Board's approval, to depute Mr. F. E. Gibson to work under the Sub-Collector. This gentleman has now had sufficient experience to make himself very useful to Mr. Comyn. He acquitted himself very creditably at the last Examination, and having had considerable practice in the disposal of minor Magisterial cases, I am prepared to request the Government to increase his powers to those of a first class Sub-Magistrate. He committed a case of forgery to the last Sessions which resulted in the conviction of the offender.

---

1. The Board have subsequently learned, by a verbal communication from the Acting Collector, that a bungalow is available for the Deputy Collector at Gudiattum.

2. The transfer of charges can therefore be at once carried out.

3. The Board approve of the Acting Collector's proposal to attach Mr. Gibson to the Sub-division.

No. 296. ORDER THEREON, 19th September 1868, No. 2,434.
