My dear Daly ell

In reply to your D.O. of yesterday's date I write to say that the best method of restoring Capt. Wyndh to his former rank in the Survey Dept will be to make the restoration conditional on a favourable report of his conduct since his transfer to the Madras Dist., which you might call for from me.

At how ever restoring him to the exact place he formerly occupied among the Ft. Asst. Supts would embarass me

in making selection for officers to be recommended to Govt. for charge of Districts or parties, he should I venture to suggest he placed at the bottom of the list of 1st Asst. This might be done by simply promoting him to 1st Asst. from the date of

~~publishing~~ the promotion in the gazette instead of restoring him to his original position. I write this by desire of H.E. the Governor with whom I had an interview this morning.

Yours sincerely

F. Pinnetley

28. 2497. 3rd.

In consideration of the ~~favourable~~ report submitted by Major Barber, the Govt. ~~are pleased~~ resolve to promote Captain Wynch to the grade of 1st Asst from the date of this order

The first Trust that the loss of salary which Captain Wynch has undergone during the last three months will prove a warning to him, and that they may not again have his name brought unfavourably to their notice

Let-me suppose what seemed to be his Lordships decree to release Captain Wynch from further punishment however retaining my original opinion as to the manner in which he should have been treated
