Nos. 61-62.

Talook Cutcherry and Subsidiary Jail at Sidhout, in Cuddapah District.—Order sanctioning its construction, communicated to Revenue Board.

Proceedings of the Madras Government, Judicial Department, 24th September 1868.

No. 229. Read the following letter from the Subsidiary Jail Committee, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 26th August 1868, No. 176.

With reference to our letter, No. 141, dated 25th June 1868, paragraph 22, we have the honor to report on the Subsidiary Jail requirements of the station of Sidhout, in the district of Cuddapah.

2. The Cutcherry, plan *A*, enclosed, was built forty years ago, and is in a most dilapidated condition. It is unsuitable in size, is in disrepair, and leaks. Its situation is also bad. It is closely surrounded by native houses, and no extension is practicable.

3. The Jail consists of one ward, which will accommodate but five prisoners, and the plan shows no ventilation, but a door four feet wide into the Cutcherry verandah.

4. We propose the erection of a new Tahsil Cutcherry and Subsidiary Jail, with the usual out-buildings on the standard plan. The Jail should consist of four wards of the standard dimensions.

5. Until the new Cutcherry and Jail can be built, the Magistrate should arrange to give further accommodation to prisoners either by taking up more of the Cutcherry space, if any can be spared, or by hutting.

6. We understand that a large and airy site is available for the new buildings.

No. 230. ORDER THEREON, 24th September 1868, No. 1473.

His Excellency the Governor in Council approves and sanctions the erection of a new Taluq Cutcherry and Subsidiary Jail, with the usual out-buildings at Sidhout, in the Cuddapah District, as recommended by the Committee on Subsidiary Jails.

2. Until funds can be provided for building the new Cutcherry and Jail the Magistrate of Cuddapah will be requested to give effect to the arrangement suggested by the Committee in paragraph 5 of their report.

3. These Proceedings will be communicated to the Public Works Department, in continuation of G. O., dated 2nd July last, No. 1051.
