Proceedings of the Madras Government, Revenue Department, 6th October 1868.

No. 111. Read the following Proceedings of the Board of Revenue, dated 18th September 1868, No. 6,657:—

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 12th August 1868, No. 223.

1. I have the honor to forward, for the sanction of Government, an estimate* and survey of the Somanore Railway feeder received from the Superintending Engineer.

* Rupees 5,600.

2. This work is intended to be carried out from District Road Fund, and will be entered in the Local Fund Budget as funds are available.

Enclosure No. 1.—Survey.

Enclosure No. 2.—Estimate.

The survey and estimate, amounting to Rupees 5,600, received with the Collector's letter, will be submitted for the sanction of Government. From the several items of the estimate, the Board are inclined to think that the work in question is an improvement falling under the category of new works rather than repairs, as specified in the face of the estimate. This work will be entered in the ensuing year's Budget.

No. 112. Order thereon, 6th October 1868, No. 2,573.

Local Funds, No. 6.
Civil Works.

Sanctioned. The road is incorrectly described in the Collector's letter as "the Somanore Railway feeder." The survey shows that the proposed line is one "connecting Somanore Railway feeder (which is a distinct road) with the Trichinopoly road."
