Proceedings of the Madras Government, Revenue Department, 8th October, 1868.

Read again Telegram from Home Secretary, Simla, dated 1st October, 1868, recorded in G. O., 1st October, 1868, No. 2,529.

No. 161. Read also the following Proceedings of the Board of Revenue, dated 3rd October, 1868 :—

Read Proceedings of the Madras Government, Revenue Department, dated 24th September, 1868, No. 2,473.

Read also Proceedings of the Madras Government, Revenue Department, dated 1st October, 1868, No. 2,529.

1. In paragraph 14 of their Proceedings of the 5th May, 1868, No. 3,273, the Board gave their opinion "that but few of the documents connected with the settle- "ment come under the scope of the Registration Act: nevertheless, in order that "all doubt may be removed, they would recommend that all documents connected "with the settlement of Government Land Revenue, including Puttahs and Muchil- "kahs, issued or received by any Government Officer on behalf of Government, on "account of land revenue or other sources of public revenue, including tolls, ferries, "and the like, should be specifically exempted as well as documents connected "with surveys carried out by the State * *

2. They were "not prepared to recommend the exemption of Title Deeds "given for lands purchased at auction sales for arrears of revenue as proposed by "the Collector of Tanjore."

3. In the opinion of the Board it is desirable to exempt from compulsory registration the documents included in the first three paragraphs of the Schedule which appear to embrace all those above enumerated.

4. As regards Sanads or other documents purporting to be grants or assignments by Government of land *in reward for special services*, the Board are not aware that in this Presidency any such have been issued since the passing of the Registration Act. The exemption is probably proposed with reference to circumstances peculiar to the other Presidencies.

5. They consider, however, that such exemption is necessary in regard to the Title Deeds issued by the Inam Commissioner, none of which have hitherto been registered, and they suggest the modification of the Schedule so as to include them.

No. 162. ORDER THEREON, 8th October, 1868, No. 2,596.

Miscellaneous.

1. Resolved accordingly that the Government of India be informed, by telegram, that this Government approve of the Schedule attached to the Bill for exempting certain instruments from the Indian Registration Act, but that they desire to include in it all Title Deeds granted by the Inam Commissioner.

2. Resolved also that the attention of the Government of India be requested to the letter from this Government, under date 27th May, 1868, No. 870, Judicial Department, in which the views of this Government on the subject were expressed. They will also be informed, by letter, of the objections to furnishing Registration Offices with copies of survey records.
