OCTOBER.

Nos. 169-170.

Salt platform at Madras.—Order directing the transfer of the current year's grant, for raising it, to the Madras District, communicated to Revenue Board.

Proceedings of the Madras Government, Public Works Department, 5th October 1868.

No. 63. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 21st September 1868, No. 3,046 :—

1. Among the several works, for the completion, &c., of which funds were allotted in G. O., No. 1,715, dated 29th May 1868, stands one for raising the new Salt platform at the Madras Salt Kotars and constructing guard-rooms, &c., sanctioned in G. O., No. 2,010, dated 25th July 1863, on an estimate of Rupees 61,300, which work being situated in the Presidency District has the grant, Rupees 3,029, made for its completion this year credited to that district.

2. The work, however, was transferred for execution in G. O., No. 1,658, dated 15th June 1865, to Mr. Fraser, who is attached to the Madras District, and since then the expenditure incurred has been in consequence recorded against the Madras District.

3. This is an anomaly, and requires to be corrected at once. It occurred to me that as the work was situated in the Presidency District, both the grant for, and the expenditure on it, should appear in the accounts of the Presidency District, but the Acting Controller of Public Works Accounts, to whom I referred the matter, suggests that the current year's grant be transferred to the Madras District, against which district the expenditure incurred has been hitherto debited, and I request that the authority of Government may be given to the transfer as proposed by Mr. Brock, in the Budget and in the books of Account.

No. 64. ORDER THEREON, 5th October 1868, No. 3,114.

CIVIL WORKS, No. 5.

The transfer of funds recommended in this letter is sanctioned.

(True Extract.)

Colonel, R. E.
Secretary to Government.
