Proceedings of the Madras Government, Revenue Department,
13th October 1868.

No. 221. Read the following Proceedings of the Board of Revenue, dated 21st September 1868, No. 6,696:—

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 12th August 1868, No. 224.

I have the honor to state, for the information of the Board, that the Municipal Commissioners of Coimbatore called upon the Roman Catholic Bishop at Coimbatore to shut up the present burial ground, which is situated in the fish bazaar within the Municipal limits. Another place was pointed out to him instead by the Commissioners, to which he, however, objects on the ground that it is rocky, and that the digging of graves will entail great labor. He requests that a piece of land lying south of the Trichinopoly road may be granted to the Roman Catholic community for a burial ground. My Acting Head Assistant inspected this piece of ground, and reports that "it is an immemorial (Nunjah) waste, measuring sixty Gulies, and assessed at Rupees 6-6-0." A rough plan of the ground in question is enclosed. As the grant applied for is in exchange for the burial ground, to be shut up on municipal considerations, I request, with reference to the Board's Standing Circular Order, No. 48 of 1867, that sanction may be accorded for making over the land to the Roman Catholic community at Coimbatore.

About an Acre.

ENCLOSURE No. 1.—Rough Plan.

Submitted to Government, with the Board's recommendation that the sixty Gulies of immemorial waste land, assessed at Rupees 6-6-0, applied for by the Roman Catholic Bishop at Coimbatore for the purpose of a burial ground, be granted accordingly.

No. 222. ORDER THEREON, 13th October 1868, No. 2,626.
