OCTOBER.

Nos. 239-240.

Sluices on south bank of Arasalar in Tanjore District.—Estimate for lengthening them, sanctioned.

Neither the Collector's letter nor the Board's order and plan show from what Fund the work is to be done. This, of course is apparent on reference to the ~~Custom~~ accompanying Budget. But it is always a waste of time & useless trouble to call for a connected statement in what is an incomplete form — WDV
