No. 265. Read the following Proceedings of the Board of Revenue, dated 30th September 1868, No. 6,931 :—

Read the following letters :—

From the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 7th August 1868, No. 231.

1. The Superintending Engineer informs me that out of the allotment of Rupees 5,000 made for this year on District Road* No. 60 from District Road Funds, 3,500 have already been expended, and that unless further allotment can be made he will be under the necessity of stopping work. This would be a great pity, as the work is progressing well on the Coimbatore side, and the road is much wanted on many accounts on this.

* Amount of estimate, Rupees 30,250, Budget Item No. 235.

2. I beg sanction to transfer Rupees 3,000† allotted on the Koroth road to the Kolangode road above-said. The Board have approved of the Koroth road being classed as Imperial ;‡ but I do not think the Executive Engineer is prepared to spend money on it this year at any rate.

† Item No. 236 in the Local Fund Budget for 1868-69.

‡ *Vide* Proceedings of the Board, dated 9th December 1867, No. 7,946.

3. I beg to enclose copy of a letter addressed by me to the Revenue Secretary to Government, with reference to Government Order, dated 10th June last, which letter gives my reasons for not having made a larger allotment originally, for proposing a supplemental allotment, and for urging that a contribution at least should be made from Imperial Funds.

Enclosure No. 1

Abstract.—Copy of letter addressed to Government on the subject of Kolangode road.

From the same Officer, dated 11th September 1868, No. 260.

Abstract.—Requesting early order on Collector's letter, dated 7th ultimo, No. 231, for the transfer of Rupees 3,000 from Koroth road to Kolangode road.

---

1. In the first of the foregoing letters, the Collector states that out of the allotment of Rupees 5,000 made in the current year's Road Fund Budget for the road from Kolangode to the Coimbatore frontier, District No. 60, Rupees 3,500 have already been expended by the Public Works Department, and that, if a further allotment be not made, the work will be stopped. He therefore solicits sanction for the transfer of Rupees 3,000 allotted for the road from Kuttiady to Teriot road.

2. As the estimate is unsanctioned, and the subject under the consideration of Government, the Board would not feel justified, under ordinary circumstances, in making a further provision. In the present case, however, the object of the road is to open out a route hitherto unhappily notorious for highway robbery, and although the Government sanction has been hitherto withheld, it is clearly from no want of approval of the work or estimate, but merely for the purpose of discussing the pro-
