Proceedings of the Madras Government, Revenue Department,
21*st October* 1868.

No. 316. Read the following Proceedings of the Board of Revenue, dated 7th October 1868:—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 23rd September 1868, No. 272.

1. Adverting to the Board's Proceedings, dated 8th April 1868, No. 2,681, I have the honor to forward plan and estimate for a Sub-Magistrate's house and out-houses at Vytry.

2. The plan, it will be seen, is very appropriate and simple, providing sufficient but by no means excessive accommodation.

3. The estimate certainly appears enormous. The small house coming to over Rupees 3,000, the privy (8 feet × 8 feet) to nearly Rupees 300, and cook-room (10 feet × 8 feet) and stable for one horse (10 feet × 7 feet) to Rupees 463.

4. But the Sub-Magistrate should be provided with a house under the circumstances, and as it appears one cannot be built for less, I beg that provision of funds may be made so that the work may be put in hand at once.

5. Captain Kennedy is ready to begin. If there is any delay the work will not be finished before next monsoon; but it is very desirable it should be finished.

---

1. The plan and estimate, amounting to Rupees 4,200, for the construction of a Sub-Magistrate's house at Vytry, will be submitted for the sanction of Government, with reference to paragraph 2 of their Proceedings, dated 26th March 1868, No. 780. The estimate appears large for such a small building of brick in mud with jungle wood.

2. The Board recommend that funds be provided in the Department Public Works for the construction of the work as soon as possible.

No. 317. ORDER THEREON, 21st October 1868, No. 2,670.

Miscellaneous.

The plan submitted with these Proceedings is approved. The estimate, showing a probable expenditure of Rupees 4,200, will be considered, and funds provided in the Public Works Department.
