Remarks.—The Yeomiah allowance of Rupees 63 per annum is registered in the name of Noor Shah in the Register submitted to the Board on the 25th January 1815, and in the list sent to them with letter, dated 28th September 1818. He had accordingly been in the enjoyment of this allowance under the sanction of Government, dated 23rd April 1819, and died on the 29th May 1868. He had two sons, named Sultani Alli and Hoosman Alli, but both of them died before their father, each leaving a son, named, respectively, Shaik Madar and Shaik Hyder. These two live separately, but have been jointly and regularly performing the services of this Yeomiah from the date of the demise of their grandfather, Noor Shah, the first incumbent. Under these circumstances, and as the parties live separately, the Acting Collector recommends the registry of the allowance in two equal shares in the names of Shaik Madar and Shaik Hyder, at Rupees 31-8-0 each per annum, and requests sanction for the payment to them of the arrears, amounting to Rupees 15-12-0, from the 1st April to the 30th June 1868.

---

1. Subject to the confirmation of Government, the Board sanction the registry of this Yeomiah in the joint names of Shaik Madar and Shaik Hyder, as proposed by the Collector.

2. The payment of the arrears, amounting to Rupees 15-12-0, for the quarter ending 30th June 1868, is also sanctioned.

Since 1815, this allowance for musjid service & the support of the Muazzeen (crier) of the musjid, has been registered in the name of a single individual, first of this grandfather, second of his father of the two individuals in whose joint names the Bd of Rev would now usually sanction its registry. — It imports not to the Govt how or by whom the duty on Muslim is performed. If the duty performed this allowance will of course be withheld. But, clearly, the greater the number of names registered, the greater is the chance of future complications from the greater number of claims to this allowance —
