Proceedings of the Madras Government, Revenue Department,
30th October 1868.

No. 467. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 13th October 1868, No. 972 :—

With reference to paragraph 3 of the Government Order, No. 2,602, of the 9th instant, I have the honor to inform you that the 1,000 Rupees were expended last year in repairs to the entire road from the foot of the timber slip to Colungode, and that we could not have carted our timber at all unless these repairs had been carried out, as the road was quite impassable in some places ; it is only the portion nearest to Colungode, or about two miles, that is to be abandoned in favor of the Collector's new line ; the Collector's road there branches off to Polachy, and does not take the direction of our timber slip.

No. 468. ORDER THEREON, 30th October 1868, No. 2,742.

Forests, No. 11. Ordered to be recorded.
