Proceedings of the Madras Government, Revenue Department,
2nd November 1868.

No. 11. Read the following Proceedings of the Board of Revenue, dated 19th October 1868, No. 7,493 :—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 18th September 1868, No. 880.

1. With reference to the Order of Government noted in the margin, I have the honor to request that the Board of Revenue will be pleased to obtain sanction for my making over to the Municipality of Mangalore a small portion of the Talook Cutcherry compound at this place, required for the construction of a station-house for the Town Police.

10th April 1867, No. 829, Revenue Department.

2. The site required is on the right of the Talook Cutcherry building, and has been selected by the Municipal Commissioners as the best site available for the purpose. In extent it is not more than a few feet square, and at the request of the Commissioners I recommend that it be made over to them free of tax.

3. The location of the station-house within the Talook Cutcherry compound will not in any way interfere with other talook arrangements, but on the contrary facilitate business by its proximity to the Talook and Town Sub-Magistrate's Offices, and its central position with respect to the town of Mangalore.

SUBMITTED for the sanction of Government.

No. 12. ORDER THEREON, 2nd November 1868, No. 2,750.

Miscellaneous.

1. The Board of Revenue will be requested to submit a plan of the Talook Cutcherry compound, showing the extent and position of the ground occupied by the Cutcherry building, as well as of the site proposed to be made over to the Municipal Commissioners.

2. The Board will also ascertain if the improvements required for the Talook Cutcherry building have received the consideration of the Subsidiary Jail Committee, and if so, will furnish a copy of their report.
