Proceedings of the Madras Government, Revenue Department, 2nd November 1868.

No. 18. Read the following Proceedings of the Board of Revenue, dated 8th October 1868:—

Read the following letter from the Mint Master, to the Secretary to the Board of Revenue, dated 30th September 1868, No. 249.

In reply to the Proceedings of the Board of Revenue, dated 28th instant, I have the honor to state that it would not be possible to obtain the dies from England by 1st January 1869, and I think it would be undesirable that some should be made in Madras and some in England. I will make every exertion to complete the number required expeditiously; but I do not think it will be safe to calculate on more than ten being turned out in the month on an average.

SUBMITTED for the information of Government.
