Nos. 21-22.

Land taken up for Gobbada anicut in Vizagapatam District.—Order requesting the Board of Revenue to furnish certain information in connection with the compensation to be paid for it, recorded.

Proceedings of the Madras Government, Public Works Department, 23rd October 1868.

No. 509. Read the following Proceedings of the Board of Revenue, dated 29th September 1868, No. 6,915:—

Read the following letter from the Collector of Vizagapatam, to the Acting Secretary to the Board of Revenue, dated 1st August 1868, No. 631.

1. I have the honor to forward a letter from my Principal Assistant, concerning compensation due for certain lands taken up for the Gobbada anicut, amounting to Rupees 1,126-14-0, which was entered in the Public Works District Budget for 1866-67, but for which funds have not yet been made available.

2. As the claim for compensation was inquired into and settled in 1865, and the parties are now threatening to enforce payment in the Civil Court, I trust that means may be found for meeting their claims.

From the Acting Principal Assistant Collector, to the Collector of Vizagapatam, dated Narsipatam, 28th July 1868, No. 128.

1. I have the honor to report to you that an item was entered in the Department of Public Works District Budget for 1866-67, being compensation for certain lands taken up for the Gobbada anicut, in Golconda talook, amounting to Rupees 1,126-14-0.

2. I am informed by the Superintending Engineer that, though entered in the Budget, funds have not been granted; the Superintending Engineer, in the same letter, urges that an application should be made by the Revenue authorities, through the Board, to Government. My predecessors, having regard only to the Notification of Government of India, No. 777, "Fort St. George Gazette," page 346 of 1864, have not considered it necessary to take this step.

3. As the claim for compensation is just having been fixed by Mr. Boswell in 1865, and as the Mokhasadar has lately been threatening to sue the responsible parties in the Civil Court, I think that this application should go up.

4. The item will be found in the Budget, and the object of this letter is to draw the special attention of Government to the item, and the necessity of meeting this claim, if possible, without delay so as to avoid the indignity of a Civil Suit.

TRANSFERRED to the Secretary to Government, Public Works Department, in view to the necessary instructions being issued for the payment of the compensation referred to by the Collector. It does not appear why the payment was not made from the Budget provision of 1866-67, if the claim for compensation were inquired into and settled in 1865.

No. 510. ORDER THEREON, 23rd October 1868, No. 3,343.

CIVIL WORKS, No. 77.

Vide G. O., No. 1,468, dated 7th May 1866.

As there is no reference in the above Proceedings to a payment of Rupees 872-8-0 which was made in 1866 through the Collector of Vizagapatam for certain land said to have been taken up for the Gobbada anicut, the Board will be requested to ascertain and report

whether that land had any connection with that for which a disbursement of Rupees 1,126-14-0 is now required to be made.
