,, ,, 3,950 of 20th Dec. 1867, paragraph 27.
,, ,, 2,791 of 1st Sept. 1868.

With reference to Orders of Government noted in the margin, I have the honor to submit estimates on the new standard plan for Talook Cutcherries at Erode* and Darampoori in the Coimbatore District, and at Tellicherry and Munjery in Malabar, amounting respectively to Rupees 25,560, Rupees 25,040, Rupees 30,000, and Rupees 25,000. Estimates for the two former were originally sanctioned in G. O., No. 3,829, of 21st December 1865, at Rupees 14,500 each, but their execution was deferred pending sanction of the new standard plan. The two latter estimates have been prepared under G. O., No. 259, of 24th January 1868, and No. 997, of 27th March 1868, respectively. None have been provided this year with funds, though Rupees 518 have been paid to the Collector of Coimbatore for compensation of site for the Erode Cutcherry under G. O., No. 2,825, of 4th September 1868, and materials collected for the Darapooram Cutcherry at a cost of Rupees 2,680, of which Rupees 1,609 were spent last year on an allotment of Rupees 2,486, the balance being paid for in this year.
