„ the Inam Commissioner, } With Procs. Public Works Department, No. 286.

Exd. S. T. Augustin.

*Proceedings of the Madras Government, Public Works Department,
28th January 1868.*

No. 556. Read the following letter from the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 22nd January 1868, No. 28 :—

I have the honor to enclose copy of a letter* from the Traffic Manager to the Agent and Manager Madras Railway, bringing to notice that certain packages

of stationery, which could have been transmitted from Madras to Trichinopoly direct by rail, were shipped to Negapatam, and from that port sent to their destination. Now that the two lines of railway are connected, Government may perhaps consider it advisable that heads of departments should be directed to forward through the Madras Railway all packages, &c., intended for stations along the Great Southern of India Railway.

From the Traffic Manager, to the Agent and Manager of the Madras Railway Company, dated Madras, 18th January 1868, No. 15.

Mr. Betts having informed me that a consignment of nine packages of stationery had lately been shipped to his care per Steamer from Madras to Negapatam for Trichinopoly by the Superintendent of Stationery, I would suggest that the Consulting Engineer should be asked to notify to all departments of Government that direct railway communication with all stations on the Great Southern of India Railway has now been established.

Referred to the Consulting Engineer for his obliging perusal and attention.

(Signed) R. B. ELWIN
Agent and Manager.

20th January 1868.

No. 557. ORDER THEREON, 28th January 1868, No. 286.
