Read the following Proceedings of the Madras Government, dated 26th August 1868, No. 2,257, Revenue Department.

ABSTRACT.—Passing orders on the report of the Honorable T. Clarke, First Member of the Board of Revenue, on the condition of the distressed parts of Cuddapah District, and referring, for the consideration of the Board, his recommendation that the present powers of the Board, to grant remission of assessment on dry lands left waste, be vested temporarily in the Collector.

---

1. The circumstances of the Cuddapah District, especially of the Sub-division, are such that great liberality in the matter of remissions, for at all events a year, is both necessary and politic. The Board, therefore, authorise the Collector to grant remissions, both in wet and dry land, wherever cultivation has been prevented by want of water or rain. He is also authorised to relax the rules regarding Shamilat Bunjer. The settlement should also be revised on the same principles. The Board are always ready to relax the rules regarding remissions, and would have granted the Collector full authority, had he applied for it.

2. The Collector will supply Government with the information, called for in paragraph 11, regarding the private charitable relief at Obicherla.

3. Meanwhile Messrs. Molony and Roberts, Native Surgeon Iyasawmy, Sheristadar Simhadri Puntulu, and Tahsildar N. Appa Row are requested to accept the acknowledgments of Government for the valuable services rendered by them during the period over which distress was experienced in the district of Cuddapah.
