Nos. 107-103.

Subsidiary Jails in Head Assistant's division in Kurnool District.—Order directing that the decision regarding them be suspended until the report of the Revenue Board is received, recorded.

Proceedings of the Madras Government, Judicial Department,

28th October 1868.

No. 217. Read the following letter from the Magistrate of Kurnool, to the Chief Secretary to Government, Fort Saint George; dated Kurnool, 16th October 1868, No. 361.

Having received copies of the Subsidiary Jail Committee's report, dated 28th September 1868, I have the honor to request no steps may be taken regarding the new buildings recommended at Markapur and Chapalamadagu, in the Head Assistant's division, for I think both those stations should be abandoned; and instead of two Sub-Magistrates being employed, I propose to have only the Tahsildar, who is Sub-Magistrate, retained, and to change the head quarters of the Taluq to Dupad, about fifteen miles north of Markapur, which is situated quite at one end of the Taluq, and inconveniently distant for the inhabitants of the north of the Taluq. It might be desirable to have the head quarters more to the west than Dupad, but it is not practicable; for all the villages to the west are small, and among the hills, except Dorenall, but that is almost isolated from the rest of the Taluq. After I have been able to obtain more information I shall address the Board of Revenue on the subject, and request them to apply to Government to have my recommendation sanctioned.

Paragraphs 30—41.

2. In the report of the Subsidiary Jail Committee there are several errors regarding the distances of the Sub-Jails; for instance, Ramalakota is entered as 10 miles distant from Kurnool. The real travelling distance is rather more than 25 miles. The road is by Eldurti, which is 21 miles from Kurnool, and Ramalakota is a little more than four miles from Eldurti.

Nandikotkur (paragraph 21) is about 200 yards less than 20 miles from Kurnool.

Atmakur is at least 24 or 25 miles from Nandikotkur, and 44 or 45 miles from Kurnool.

Pyapally (paragraph 46) is 48 miles from Kurnool.

Koilkuntla (paragraph 50) is about 40 miles from Pyapally, and therefore 40 + 48, or 88 miles from Kurnool.

Nandial (paragraph 55) is 47 miles at least from Kurnool. The Local Fund road from Nandial joins the Kurnool and Cumbum road at the 45th mile-stone, and its length is rather above two miles.

Paragraph 58. The nearest mile-stone from Kurnool to Kalwa is the 21st, and Kalwa is at least two miles on the east of the road.

3. I do not know if these errors are copied from the skeleton map furnished by the Committee and filled up in my office. If the errors were made here I shall feel obliged if I may have the map returned to me for correction. I have travelled about the district a great deal since the map was sent in, and can now fill up the distances from personal experience and observation.

No. 218. ORDER THEREON, 28th October 1868, No. 1656.

Resolved that the decision regarding the Subsidiary Jails in the Head Assistant's division, in the Kurnool District, be suspended, until the report from the Board of Revenue is received.

Proceedings of the Madras Government, Judicial Department,
28th October 1868.

2. A copy of the foregoing letter will be furnished to the Committee on Subsidiary Jails, with a view to the map of Kurnool being returned to the Collector for correction.
