Proceedings of the Madras Government, Revenue Department, 7th November 1868.

No. 123. Read the following Proceedings of the Board of Revenue, dated 19th October 1868, No. 7,497 :—

Read the following letter from the Commissioner of the Neilgherries, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 1st October 1868, No. 35.

1. I have the honor to forward, by banghy, nine Title-deeds in duplicate, as per margin, for lands sold on the Neilgherries under the Waste Land Rules, and to request that they may be returned to me with the seal of Government affixed.

Nos. 47, 47A, 48, 60 to 64, and 64A, in the names of Colonel Taylor and Colonel Denison.

2. You will observe that Deeds Nos. 61, 62, and 63 are for areas in excess of 10 Acres, namely 11·88, 17 and 13·14, respectively. This excess is explained by the late Collector of Coimbatore in the following extract, which I trust will be considered sufficiently satisfactory to allow the Board to pass the Deeds :—

3. "These lands were originally demarcated by the Talook authorities "under my orders and personal inspection. Stones were placed, but some of these "were not very conspicuous. The result is that in several cases two blocks were "embodied in one survey, and the area has exceeded 10 Acres, the extent of the blocks "to be sold within the limits of the Cantonment. These surveys should now be "accepted, as the blocks were sold before survey.—27-1-68." (Sd.) "P. GRANT, *Collr.*"

ENCLOSURES Nos. 1 to 9.—Title-deeds in duplicate.

ORDERED that the nine Title-deeds in duplicate, received with the above letter, be submitted for the seal of Government, in accordance with Rule 5 of the "Subsidiary instructions relating to the sale of assessed waste on the Neilgherries, Shervaroys, and in the Wynaad," recorded in the Proceedings of Government, No. 1,208, dated 6th July 1863.

2. The Commissioner will be instructed to make the following amendments in the Deeds when they are returned to him with the Government seal.

3. The word "purchasers" in the 14th line of the six Deeds numbered 60 to 64 and 64A should be initialed ; as also the word "Seals" occurring in the last line above the Schedule in Deeds Nos. 61 and 64A, and in one copy of each of the Deeds Nos. 47, 62, and 63.

4. In the "extent" column of the Schedule in Deed No. 64A, there is an erasure in the place where the word "three" ought to be written. This omission ought to be supplied, and the extent of the property shewn in figures as well. The words "reserved forests" must be written to the north of the property shewn in the plan attached to the same Deed.

5. The blanks in the 5th line of Deeds Nos. 48, 47, and 47A should be filled in.
