Proceedings of the Madras Government, Judicial Department,
28th October 1868.

Read the following papers :—

No. 207. From the Magistrate of Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 28th September 1868, No. 79.

With reference to Proceedings, Madras Government, and Order thereon dated 31st July 1868, No. 1183, I have the honor to state that the cost of compensation for the huts constituting the hamlet on the south side of the Pothanoor Railway station, as per enclosed estimates, amounts to Rupees 1,810, the highest being rated at Rupees 70, and the lowest at Rupees 5.

2. The Acting Head Assistant Magistrate now reports that the majority of the huts (see plan enclosed) are inhabited by workmen and servants of the Railway Company, and, on referring to the Supplemental List, it appears that there are also six chucklers' huts, valued at Rupees 41, making a total of Rupees 1,810.

3. I, some time ago, issued an order prohibiting the erection of huts in the vicinity of the station, without express permission, but the present huts, Block *A*, would appear to have existed for some time (six or seven years, as reported by the Tahsildar), probably contemporaneous with the construction of the Railway, while Block *B* exhibits the old hamlet.

4. The land, Block *A*, is styled in the accounts as Government nunjah waste (No. 64). It was sold by the former Collector, Mr. Thomas, as building site, for a village or railway town.

5. Blocks *B* and *C* are Village Poramboke or site, and have been occupied for many years.

6. The permanent salary of two toties, at Rupees 8 each, or Rupees 16 per month—Rupees 192 per annum—and up-keep of latrines, which could not be provided by the poor inhabitants of the hamlets, say Rupees 230 per annum, would represent a charge of about 13 per cent. on the valuation of the huts.

Forwarded to the Accountant General, with a request that he will be good enough to state to what head of the Budget the compensation for the removal of the huts referred to in his letter should be charged, and whether funds can be provided for the purpose.

FORT SAINT GEORGE,
9th October 1868.

(Signed) C. G. WALKER,
Under Secy. to Govt.

No. 208. From the Accountant General, Madras, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 13th October 1868, No. 181.

Budget and Resource Department.

With reference to the accompanying letter from the Magistrate of Coimbatore, transferred to this Department for report under the docket of the Under Secretary to Government in the Public Department, dated the 9th instant, I have the honor to state that "27 Miscellaneous" appears to be the proper head of account to which the grant of compensation referred to in that letter is debitable, and that there are ample savings in the Budget grant under that head to meet the same.

Proceedings of the Madras Government, Judicial Department,
28th October 1868.

No. 209. ORDER THEREON, 28th October 1868, No. 1649.

The Governor in Council authorizes the removal of the huts forming the hamlets situated on the south of the Pothanoor Railway Station, and sanctions the payment of compensation, as per estimates furnished by the Collector, amounting to Rupees (1,810) one thousand eight hundred and ten.

2. The charge will, as suggested by the Accountant General, be debited to "27 Miscellaneous."
